Warner's Rust-proof Corsets

Very Long, but Not an Inch Too Long to Shape the Fashionable Figure
The bones in this corset do not extend the full depth of the skirt—the soft, unboned cloth is the extra length. It is impossible for the garment to be felt uncomfortably—quite the contrary—it is pleasantly felt.
We have many styles in this make, all correctly, fashionably cut for every woman, large or small.
Every garment made to fit and to wear—not to rust, break, or tear.

Security Rubber Button Hose Supporters Attached
